

Calling for Centrepoint member artists

Join us for the June 2024 Art wall exhibition at Centrepoint, where members are invited to showcase one piece of their work. Let's celebrate our diverse cultures, nationalities and languages while revelling in shared passion for art.

With music, wine, Aperol and good company it promises to be a special event.

Interested artists are encouraged to submit their work to Peta Hysen via email to be part of this unforgettable show.
